

# Designer Face Masks

Pretend you are a designer for a mask company. Your job is to make customized masks for people who want something that shows who they are and makes them stand out in a distinctive way.

1. Use the questionnaire to learn more about your client.
2. Brainstorm different ideas on these small templates.
2. Choose the one you like the best.
3. Make your good drawing on the large template.
4. Write an artist statement to explain your design and how it connects to the things that are important to your client.

# Questionnaire
